Ka Hula Piko Moved to New Location in Kaunakakai Draws Large Crowds, Saved Costs, and "More Convenient"

Molokai residents and visitors gathered at Mitchell Pauole Center in Kaunakakai last weekend to enjoy the annual Ka Hula Piko. Formerly, the event was held near the beach next to the old Kaluakoi Hotel. With the economy in an Obama-spiral down, logistical costs of the westend location for sponsors, vendors, visitors, and local residents became a significant consideration for 2010.

With Hawaiian music entertainers, slack key players, hula dancers, cultural exhibits, the 2010 John Kaimikaua Ka Hula Piko was a real success now being located in Kaunakakai.

The Tenth Amendment

"The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."

The US Government Living Beyond Its Means:

How Bad Is It Now?

Adjusted for inflation, gross tax receipts have only risen **40%** in the last 39 years. However, total government spending increased **2,600%** over the same time period!

Many observers made a big deal about the US running a $1 trillion deficit this year. Well, if you included the net value of unfunded Social Security and Medicare expenses we cleared a **$1 trillion deficit** in 2007, a **$5 trillion deficit** in 2008 and a **$9 trillion** deficit in 2009.

How bad will it get in 2010?

To give you an idea of how big a problem these deficits are, consider that the US government could tax its citizens 100% of their earnings and still not have a balanced budget.

The bottomline is this: The US has a major debt problem. Including future social security and Medicare expenses we owe **$65 trillion.**

America has gone from being the land of the free and the home of the brave to the land of tax slaves and the home of welfare recipients.

Jewish Hate Crime Law a Sham

Jews, a 2% minority in USA but holding about 44% of seats of power and influence banking, media control, intertainment, legislatures, judiciary, and Congress, lobbied for the hate crime laws for themselves, and the application to other minority groups just dilutes the enforement. Hate Crime laws is a sham, and a hypocritical infringement against freedom of speech.

Jews hide their hate speech in "cultural expression" as evidenced in an article titled "Some Carefully and Carelessly Chosen Words", The (London) Jewish Chronicle [May 17, 1991] revealed the Jewish term for a gentile [non-Jewish] woman is the offensive Yiddish word "shiksa" -- meaning "whore," from the Hebrew root, "sheigetz" or "abomination". It also pointed out that a little gentile girl is called "shikselke", meaning "little female abomination."

Equality? If a gentile casually referred to Jewish women and little girls as "whores" and "little whores," Jews as a group seek vengence for such an unabashed affront to their collective dignity, hate crime, against them.

When Obama is finished with USA, only guns and God will be relevant until we nourish the tree of Liberty with the blood of freedom fighters and fascists and restore the Constitution for the United States of America as the Supreme Law of the Land, once again.

Jewish lesbian Elena Kagan is Obama's 2nd such nomination to the Supreme Court. And, Sonya Sotomayor is no "Latina". She is a Marrano crypto Jew who belonged to the lesbian Belizean Society.

<http://www.savethemales.ca/incest_survivor_lifted_veil_on.html>

With the appointment of Kagan, four of the nine Supreme Court judges will be Jews. That's 44.4% representing a minority group consisting of less than 2% of the population. Clearly they do not intend to represent the 83% of Americans who self-identify as Christians.

Like Obama, Kagan's qualifications consist of her usefulness to the cult. She supports massive government censorship of TV, press and Internet. She is prepared to use the law to silence "hate speech" i.e. the advancement of homosexual values and "minority" rights. "Certain forms of speech perpetuate and promote this inequality. The disappearance of such speech would be cause for great elation," she said in a law journal article.

Who better to rule against defenders of traditional marriage and family than a militant lesbian befouling the bench of the US Supreme Court?

We also know she supports indefinite detention without trial.

Her name "Kagan" is the name for the imperialist Khazar Jewish king. Her namesake Lazar Kaganovich was Stalin's deputy responsible for the genocide of millions of Ukrainian farmers and the great purge.

Molokai Clubhouse in trouble, again, will shut down June 30 from Budget Cuts

The Molokai Clubhouse, the only facility left standing on the island providing various support services to those with mental illness, was about to be closed down at the end of last year. The Lingle Administration, as part of its slash-and-burn budget reductions, had eliminated all the employees.

Concerned Molokai AdvertiserNews.com readers and Disappeared News.com readers made phone calls along with advocates and supporters of the Clubhouse and got one job reinstated on the very last day of the year.

According to the minutes of the State Council on Mental Health and reports from Maui advocates, the Molokai Clubhouse is in danger again, and it needs further intervention or it will shut down on June 30.

First, there is no money allocated for rent past June 30. All the good work on the building repairs and fundraising of the Honolulu Metro Rotary Club will have been for naught if the facility gets can't pay the rental fee.

Second, the one remaining employee is carrying a caseload of about 70, according to a report, and has many duties related to operating the Clubhouse and keeping it going. That's too much even without the additional duties.

The state needs to hire back one social worker or an aid to divide the work. I hear about "dragging their heels" and other delays. With the unemployment situation as it is, there must be many candidates to choose from. Of course, I don't know what the bureaucratic issue is, just that the cutbacks need to be reversed if the Mookai Clubhouse is to be saved and critical mental health services continued.

I suggest calling on Linda "Slash & Burn-Shaloha" Lingle at 586-0034 and that will get you someone in the Constitutient Services office at State Capitol. Of course, if you happen to have Lingle's personal cell phone number, better yet.

Calling the Department of Health has historically not reversed any of their shutdown plans. For example, it took the intervention of Governor Cayetano to reverse the DOH decision many years back to close the Diamond Head Mental Health Center, a critical facility serving a large population in that area.

You cannot legislate the poor into prosperity by legislating the wealthy out of prosperity. What one person receives without working for, another person must work for without receiving. The Obama regime cannot give to anybody anything that the Obama regime does not first take from somebody else.

When half of the people get the idea that they do not have to work because the other half is going to take care of them, and when the other half gets the idea that it does no good to work because somebody else is going to get what they work for, that my dear friend, is the beginning of the end of any nation. You cannot multiply wealth by dividing it. STOP the Socialism, Obama !

Bill of Rights 2nd Amendment:

"A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed."

Wake up militia! Use it , or lose it ! Got your gun, yet?

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."

(Unanimous Declaration.of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had-not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. The Organs would very quickly have suffered a shortage of officers and transports and, notwithstanding all of Stalin's thirst; the cursed machine would have ground to a halt!" -- The Gulag Archipelago, Aleksandr Solzhenitsyn

Obama Nominates ANOTHER anti gun rights socialist radical to US Supreme Court: Congress MUST vote NO on Elena Kagan

Dear Congress: Please vote NO on Obama's nomination of Elena Kagan to US Supreme Court. The next justice of the Supreme Court will almost certainly preside, during the next thirty years, over dozens of cases which could very well chip away at the DC v. Heller decision, telling us which gun laws the court views as "constitutional" and which "unconstitutional."

But Kagan's views on the Second Amendment are no mystery. Elena Kagan says that foreign law can be used to interpret the U.S. Constitution in "some circumstances." Considering that most of the world does not respect the freedoms that are protected in our Second Amendment, this is a bad sign. Also, records at the Clinton Presidential Library in Little Rock, Ark., evidence that Elena Kagan drafted an executive order restricting the importation of certain semiautomatic assault rifles.

She was also part of the Clinton team that pushed the firearms industry to include gun locks with all gun purchases and was in the Clinton administration when the president pushed legislation that would close down gun shows.

Bloomberg News reported on May 13 that while working for Justice Thurgood Marshall, Kagan urged him to vote against hearing a gun owner's claim that his constitutional rights were violated. Kagan wrote that she was "not sympathetic" toward the gun owner's claim.

After the Supreme Court supported the individual right to keep and bear arms in the Heller case, Kagan was forced to concede that the 2nd Amendment is an "individual right." But that did not stop here from supporting anti gun rights policy and lobbyists at the Brady Campaign.

According to WeeklyStandard.com (May 6, 2009), she is so far to the left she has lamented that socialism has "never attained the status of a major political force" in our country.

Please vote NO on Elena Kagan and support every filibuster attempt against her nomination. STOP Obama's KAGAN !

Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committeed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of soverign individuals. Government has NO rights!

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

Wake up ! Enforce the Bill of Rights !

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed." Exercise the 2nd Amendment.
