Boat Harbor Channel Blocked Aha Kiolo Legislation is Pau

Early morning Saturday 11-26, approximately 15 Molokai residents who are opposed to the operation of the 145 feet long tourist cruise ship Safari Explorer met at Kaunakakai Wharf to stop the ship from entering the harbor. The protesters used two small boats and about 5 surfboards to block the entrance channel to the harbor so the cruise ship could not enter without endangering the lives of protesters who occupied the entrance channel with intention of interfering with navigation.

Interference with navigation is unlawful per State Law and Federal Law.

HAR 13-231-42 prohibits blocking of State Harbor entrance channel. Interference with navigation. No person shall operate any vessel in a manner which will unreasonably interfere with other vessels or free and proper navigation of waterways. [Mahalos to officer Mat Hillen, Maui DLNR Enforcement, who cited the statute, and added that he expects that if any citations are issued for violating this statute, a court appearance would be required, and the crime would be handled at the misdemeanor level with fines and possible jail time imposed.]

Concerning the channel blockage of the Cruise Boat entering Kaunakakai Harbor November 26, DOT and DLNR officials are meeting this week with U.S. Coast Guard and State Attorney General regarding enforcement of the navigation rights, safety concerns, defining the harbor area limits, and enforcement jurisdiction, according to Randy Awo, Maui DLNR office.

The Safari Explorer captain ultimately rerouted, and opted to go instead to Lanai. Protest leader Walter Ritte reportedly called the protest a success, and a meeting with ships owners was scheduled for today 11-30 at 6pm MPC. His mantra is that the tour operators must sit down and talk to him or keep out. He calls other residents to join his Aha Kiolo, but nobody seems to know specifically what subjects he wants to discuss—money extortion and control? What?

Ahaa! But the ship Captain returned unannounced Sunday morning to Kaunakakai Harbor and docked. Tourists were off loaded into tour vans and headed east to Halawa Valley. Apparently the tour operators are unaware of the Molokai Development Plan that specifies the Kaluakoi area for tourism destinations along with Kaunakakai; and, Manae east Molokai is for residents. Even protesters seemed oblivious about the designated destinations of the Plan.

At least two logs were dropped onto the highway about mile 20 near Honolulu bridge to block the vans from proceeding to Halawa Valley, but nobody wants to take credit for those acts. State DOT workers removed the obstructions, but the tour vans has already rerouted to go west to Hoolehua and maybe westend Kaluakoi. That is where the Community Plan says they belong.

Aha Kiolo legislation Expired, Pau since June 2011

Molokai Island seems to represent a unique location where the land is best managed by the people who live on it; possible because the human population is low enough that resources of water and land aren't yet overwhelmed—but nearly.

However, the stated purpose of Aha Kiolo legislation was to create an advisory system to State government, not to set up a separate race based police state on Molokai headed by Ritte, who decide and enforce their ideas on everyone else. We get enough of that from the State and Obama regimes already!

Act 212 – the Aha Moku System was A Bill for a race based Act Relating to Native Hawaiians. The law was enacted on July 1, 2007. The Act creates the Aha Kiolo Advisory Committee to advise the Legislature on Native Hawaiian resource management practices; derive a comprehensive set of native Hawaiian best practices for natural resource management. The Act appropriated \$222,000 for years 2007-2009 for administrative costs of the Aha Kiolo Act 212. [cont'd page 4]

Obama Omits God From Thanks Giving Message!

The putative President Barack H. Obama aka Barry Soetoro, outlined the many ways that Americans were coming together and the various things he was thankful for, but not once thanked God in his broadcast "Turkey message".

I don't think Obama respects our Thanksgiving tradition. I think he thinks it's all a bunch of bunk, and that God has nothing to do with blessing for America.

Obama outlined the many ways that Americans were coming together and the various things he was thankful for, but not once thanked God. Conservatives, patriots, Tea Party Vets, are upset at Obama's intentional omission of our Christian God at Thanks Giving radio message. Among the comments were things like, "So sad!" and "God help us!" Republicans across the country retweeted the Fox News headline: "Obama Leaves God Out of Thanksgiving Address!?"

When Obama talks about the American dream and working hard and you'll be rewarded, he doesn't believe that. He thinks that's a myth. I think Obama has to disguise his left-wing extremism. But if he's reelected, there's not gonna be any need for Obama to hide his Marxist anti-American dreams of Socialist USA.

Obama's policy on immigration, if he is reelected, he is going to punish his enemies and La Raza's enemies with full and total amnesty for illegal aliens living in USA. He's already taking steps that equate to backdoor amnesty. All you have to do is ask Obama's aunt and uncle what they think about illegal aliens. These members of his family are in the country sucking up welfare, using fake SS#, and they are also illegal aliens who have been ordered to leave before Obama was usurped the Office.

Obama doesn't dare tell anybody what his second term intends. If he doesn't have to worry about getting reelected there's no longer any reason to camouflage or mask any of it. There's no longer any reason to pretend that he has ties to the great traditions of this country. There's no longer any reason to make people think that he's something that he's not. Now he joins with his treasonous predecessors:

draft-dodging Bill Clinton, Al ("All these explosions must be bad for the environment") Gore, Jimmy ("America has to get over her inordinate fear of National Socialism") Carter, and now Barack ("Islam for America") Obama.

Obama must be impeached now for his offenses against the rule of law (including the administration's blatant pursuit of race-based justice)

Obama's violations of the public trust (including his Chicago-style bully boy tactics to protect and advance the administration's cronies)

Obama's abuses against the private sector (including how his administration is removing any limits to federal power)

Obama's crimes against good governance (including his mania for secrecy after getting elected on promises of transparency)

Obama's betrayals of the national interest (including his administration's gagging of honest discussion of the threat of radical Islam). Who IS Obama?

Hawaii vs Obama Lawsuit? State Wants Closed Doors!??

November 30, Honolulu 1st Circuit, Judge Nishimura. Orly Taitz reported the hearing regarding lawful access to Barack Obama's birth certificate demands from Hawaii Dept. of Health director Fuddy defended by Deputy Attorney General of Hawaii, Jill Nagamine, bringing an oral motion to forbid cameras in the courtroom and not televise the proceedings. Nagamine said that birther claims are frivolous, and should not be encouraged by cameras in court.

Orly Taitz objected and pointed out that Obama's birth certificate and related fraud are matters of public domain and public concern, therefore, media should by law be allowed to record the proceedings for public benefit.

Judge Nishimura ordered the cameras to record the proceedings.

Orly Taitz next report is shocking. "Nobody can find the pleadings, that I submitted twice. I presented the judge with two certified mail receipts signed by the clerk of the court. Her name looks like Marlene N. Kazai, she works in the mail, records department, she was nowhere to be found. I submitted my amended complaint on November 15, it was received and signed by this clerk on 21st, but was never docketed and never given to the judge... the documents disappeared. The judge offered me to argue based on the original motion...I suggested, in light of the circumstances, that I would argue based on the amended motion with leave of court to be given to Nagamine to file her objections later. The judge agreed to do it and asked Nagamine, if she would consent to proceed this way. Nagamine refused. At that point, all we could do, is reschedule."

Taitz also said she filed a voter fraud complaint with the chief elections officer. According to HI elections statute, he has to hold public hearings. She went to Scott Nago office to find out the schedule, but Nago was "Not Available".

George Peabody phoned and emailed to Nago, and got the same answer.

Its a Hawaiian Coot

Over the past month I've received numerous calls about a black 'duck' or 'chicken' along the highway at the Kaunakakai Wastewater Reclamation Facility. This slate-grey bird is the endangered Hawaiian Coot (Fulica alai), a specific type of waterbird called a rail and one of the two surviving endangered endemic rail species in the Hawaiian Islands that have not gone extinct. Also known as Hina's mudhen, in ancient times it was believed that its nighttime cry or croaking was considered a warning or an alert of pending trouble. Many olelo refer to the species, such as Hanopilo ka leo o ka `alae, said of a person who talks himself hoarse, as in the hoarse call of the mudhen.

The `alae ke`oke`o typically nests on mats of floating vegetation, but at the wastewater facility where nesting material is at a premium, Molokai's elementary school children have donated bodyboards to be used as floating nesting islands to protect the bird from land-based predators. The Hawaiian Coot is fiercely territorial, defends its off-spring from other waterbirds and has been known to kill other species that have wandered across invisible territorial boundaries. The behavior of this gregarious bird can be comical as it runs across the surface of water, a physical ability it has due to webbing on the toes and not between.

On-going research about this endangered species conducted at the wastewater facility has documented round trips between Molokai and Maui and inter-island movements of banded coots from Oahu. Research birds are identified by neck bands with individual three-digit codes. The sudden appearance of the `alae ke`oke`o along the highway is a concern and is believed to be caused by the recent arrival of a hybrid duck species causing an imbalance of the normal habitat safe within the fenced facility. If you observe a Hawaiian Coot that has been struck by a vehicle alongside the road please report it immediately so it may be retrieved.

Elena Kagan, the Obama Care Attorney Appointed by Obama to Supreme Court Must Be Impeached Immediately!

Obama's appointed U.S. Supreme Court Justice Elena Kagan Must Recuse Herself Today Or Hawaii's two Congress Reps Hirono and Hanabusa Must Draft Her Articles Of Impeachment Tomorrow. Anything Less Is Unacceptable! Anything less is direlection of duty by Hirono and Hanabusa!

Enough is enough. The American people don't want to hear your blustery and feigned cries of disgust and indignation. The American people don't want any cowardly calls for "investigations" into Justice Elena Kagan's actions; and the American people most certainly don't want you sending any feckless letters to Kagan asking her to recuse herself from the pending Supreme Court proceedings on ObamaCare.

If you must write a letter to Justice Kagan, make it clear that you expect her recusal today or you will draft Articles of Impeachment against her tomorrow and enforce it against her, period!

The facts are already in. It's already more than clear that Kagan's refusal to recuse herself is a direct violation of federal law and it's already more than clear, from recently released emails, that Justice Kagan probably committed perjury during her Senate confirmation hearings when she flat-out denied offering her opinion "regarding the underlying legal or constitutional issues related to any proposed health care legislation" or the underlying legal or constitutional issues related to potential litigation resulting from such legislation."

The American people have grown sick and tired of your bluster and bravado. It's time to act. Evil thrives when good men do nothing and, quite frankly, the American people are sick and tired of you doing nothing. Your course of action is clear. In the coming days we expect Kagan's recusal or we expect you to draft Articles of Impeachment against her. Anything less is UNACCEPTABLE!

Sincerely, George Peabod 808 5588253

Don't Count on Supreme Court to Nullify ObamaCARE

U.S. Supreme Court has agreed to rule on the constitutionality of Obamacare, the president's signature health-care-takeover legislation, but a rights organization that advocates for restoration of recognition of the 10th Amendment says states and consumers should not count on the court to reverse the law, especially with Obama's appointee Justice Elena Kagan now sitting on the bench, too.

"From 1937 to 1995, the Supremes didn't strike down a single federal law as unconstitutional. Not one in nearly 60 years," Michael Boldin, executive director of the Tenth Amendment Center, wrote in a warning about the issue.

"Bottom line? When it comes to limiting federal power, the Supreme Court is NOT to be trusted. Not only have they utterly failed to uphold the Constitution, it's not really in their interest either."

The Supreme Court announced Nov. 14 its acceptance of three Obamacare-related cases. It will hear more than five hours of arguments. A decision isn't expected until the middle of next year.

Essentially, the issue is whether under the Commerce Clause the federal government, under threats of fine and jail, can order citizens to purchase a government-specified product – ObamaCARE health insurance – from a private company. Critics say such power is unconstitutional, and if affirmed, there is nothing the government could not order, from which car to purchase to which foods to how much exercise you must do.

Boldin said his organization has drafted state-level legislation that allows states to reject "the notion of not just health insurance mandates from the federal government, but the very core idea that the federal government is authorized to be in the health care industry at all." Hawaii should pass it, but Democrats won't.

The organization's Federal Health Care Nullification Act declares that Obamacare "is not authorized by the Constitution for the United States and violates its true meaning and intent." These states have passed laws to prevent Obamacare from being implemented in their state: Tennessee, Kansas, Louisiana, Virginia and Idaho, and Ohio Arizona, Missouri and Oklahoma.

Molokai's Forum For Freedom

No to Gun Control Treaty !

The Bill of Rights Day is December 15th. Each of you can make at least one other person aware of the day, and of how essential the Bill of Rights has been to American freedom. Wake up now, as Obama and Clinton are pushing a U.N. Treaty to take your guns, and the 2nd Amendment voided! **MAKAALA !**

Representative Joe Walsh has drafted a bill that would block U.S. funding to the United Nations if it seeks to implement gun control affecting U.S. citizens.

Despite victories by gun owners in elections and legislative battles and US Supreme Court ruling that right to keep and bear arms is a fundamental individual right protected by the Bill of Rights throughout the country in recent years, on the international front gun control is moving against gun owners quickly.

Most significantly, in 2012 the UN plans to release a final draft of the Arms Trade Treaty—a treaty with severe consequences for American gun owners.

Meetings are held behind close doors, but from information gathered by GOA we believe that the ATT will, at the very least, require gun owner registration and microstamping of ammunition. The ATT will define manufacturing so broadly that any gun owner who adds an accessory such as a scope or changes a stock on a firearm would be required to obtain a manufacturing license.

It will include a ban on many semi-automatic firearms and demand the mandatory destruction of surplus ammo and confiscated firearms.

Barack Obama, not surprisingly, welcomes the treaty. He knows that he is unlikely to get such radical proposals through the Congress, so the UN Treaty venue provides him a backdoor way to enact gun control.

Secretary of State Hillary Clinton is also on board and began pushing for the treaty as soon as she was confirmed in her position. "The United States is prepared to work hard for a strong international standard in this area," she said.

Since treaties must be ratified by the Senate, GOA is working continually to buck up weak-kneed Senators who might be pressured to ratify the treaty.

But the House, which controls the nations' purse strings, can also play a role in killing the ATT (or any other anti-gun treaty, for that matter).

Rep. Joe Walsh's legislation will cut U.S. funding to the UN if the international body imposes any restrictions on Americans' gun rights.

This is a huge deal, because without the contributions of the United States, the UN would be crippled financially. According to government reports, U.S. taxpayers foot the bill for 22 percent of the UN's regular budget and 27 percent of its "peacekeeping" budget.

American gun owners, in other words, are funding the organization that wants to do away with the Second Amendment!

Rep. Walsh is putting the UN on notice: back off our gun rights, noting that:

- * It is the constitutional power of Congress to determine United States foreign policy through the ratification of international treaties;
- * U.S. Presidents signing on to treaties open the door for international organizations to unilaterally regulate the lives of citizens of the United States;
- * International and transnational organizations force their rules on people of the United States through conventions, multilateral agreements, and nonratified treaties, such as agreements that affect the private ownership of firearms by law-abiding citizens. Obama/Clinton are TRAITORS so BEWARE !

Bill of Rights 2nd Amendment:
"A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed."

Wake up militia! Use it , or lose it ! Got your gun, yet?

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."

(Unanimous Declaration of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. The Organs would very quickly have suffered a shortage of officers and transports and, notwithstanding all of Stalin's thirst; the cursed machine would have ground to a halt!" -- The Gulag Archipelago, Aleksandr Solzhenitsyn

Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

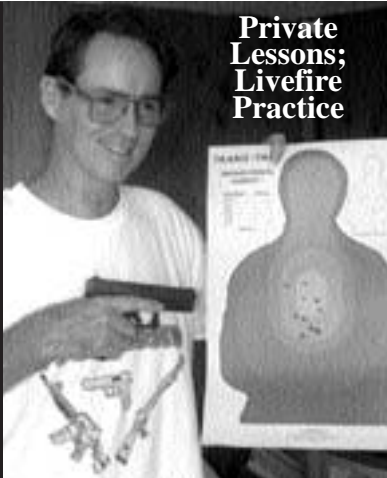

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

Wake up ! Enforce the Bill of Rights !

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed." Exercise the 2nd Amendment.

Aha Kiole Statute is Expired, Pau..... from page 1

ImAct 212 – the Aha Moku System.....

Establish an Advisory Committee to report to the Legislature, and for allowing each of the thirty-seven moku statewide to actively participate and engage in discussion on the creation of the Aha Moku Council System.

Act 212 was to sunset in June of 2009. However, no funding was ever released by the State. So, Act 39 extended the time frame for the AKAC from 2009 to June of 2011. The `Aha Kiole Commission, through the `Aha Moku System would provide consultation and recommendations to state, county and federal agencies, boards and organizations that have responsibilities and authority for the creation and implementation of regulations and policies for natural and cultural resources management. After that, in 2011, Bill 23 funded another \$64,500 for fiscal year 2011-2012 for an executive director of the `aha kiole advisory council. Bill 23: Aha Kiole Advisory Commission was Vetoed on 7-12-11 - Returned from the Governor without approval. The Governor said some of the measures will not work as they are written. He said others create additional work for departments without funding .

Final Report dated December 2010 sent to Legislature: completed its mandate to initiate the process of best practices for natural and cultural resource management that is based upon the indigenous resource management practices of moku (regional) boundaries, recommended integration into governance regime of the State via establishment of Aha Kiole Commission, Ahupuaa, Moku, and an Kiole, and even recommendations for community law enforcers, i.e., Native Hawaiian rangers recognized and established by State and county governments to enforce the rules and practices of each ahupuaa. Questions arose about whether the would be recognition by the judiciary and police so that citizen citations against violators of natural resource are legal in the judicial system? Because it is a traditional management system, eligibility to participate in the process is based on competency in generational knowledge of natural resources and processes as identified and confirmed by the community (e.g., ahupua`a, moku and/or mokuuni) participating in the management process.

Why Won't Media Ask Obama About his homosexual life?

<http://www.westernjournalism.com/media-wont-ask-obama-about-sex-issues/>
Big media refused to properly vet the candidacy of Barack Obama in the 2008 presidential campaign. Now we see they refuse to follow up on substantiated allegations against Obama regarding his homosexual and drug use lifestyle from Punahou to his US Senate days. Charges like those made against him by Larry Sinclair in his book of Obama and Sinclair Sex, Drugs, and Murder.

Do you recall the media demanding Obama's explanation of why Larry Sinclair alleged that he an Obama did cocaine together and had homosexual sex? Of course not! Yet Sinclair was very up front and willing to answer any questions. Some stats I've read show our media are about 90% Democrat. hmmm. No wonder Hawaii media is sooooo pro Obama, and sooo unAmerican.

Attention Hawaii Politicians ! Barack Obama Must Go, Or The American People Will See You Go In 2012

Impeachment is your duty. It's your job. Make no mistake, if you're waiting for the American people to "impeach" Barack Obama at the ballot box in 2012, do not be shocked when the American people "impeach" you at the ballot box as well.

Recently, at the Western Republican Leadership Conference, a participant asked Senator Mike Lee and Congressman David Schweikert why they weren't pushing to impeach Barack Hussein Obama. Schweikert and Lee's responses were perfect illustrations of the fecklessness and cowardice that you have exhibited on this pivotal issue. According to The Hill, Schweikert actually had the nerve to say that he wouldn't pursue the matter because he feared alienating "Democrats who might vote Republican" and both Schweikert and Lee applauded another participant who came to their defense and implied that it was the job of the American people to "impeach" Barack Obama at the ballot box.

Wake up and smell the coffee. In spite of what you may be reading in The New York Times, your approval ratings are not in the tank because you have not gone far enough to "work with" with Barack Obama to "get things done." Your approval ratings are in the tank because, in spite of the promises you made prior to the November 2010 election, you have refused to do what must be done. More and more, Americans are coming to realize that if we wait until the 2012 election, it may be too late for our great country. Barack Hussein Obama will plunge this country over a cliff... to its doom; and all the blood, sweat and tears that those who came before us sacrificed to mold us into a great nation, will have been for naught... discarded like yesterday's trash.

Barack Obama is either out to destroy America and the core values that made her the greatest nation on earth, or he is the most incompetent President ever elected. What must he do... how many offenses and derelictions of duty must he commit before you come to realize that, for the good of this country, he must be impeached before he can do anymore harm to the America that we love? Article II, Section 4 of the Constitution exists for such a time as this and the American people are counting on you to do your duty and do what is right for this great country. You have a choice. Remove Barack Obama from office or the American people will remove you from office in November. It really is that simple!

Sincerely, George Peabody

AMERICA'S FORSAKEN PROMISE

Part III: ACCOUNTABILITY

There is no substitute for consistent Personal Accountability and merely losing an election is as ineffective as flatulence in a hurricane.

Absent personal accountability, America will continue being governed by statist criminals. Unfortunately, the ballot alone will never salvage the non-amendable American Ideal recorded July 1776 by the Second Continental Congress.

Respect for Unalienable Rights should never be taken lightly. If all else fails to provide the lawful respect they merit, then the use of deadly force is morally acceptable. From a philosophical point of view, what was true in 1776 is equally true today.

WE hold these Truths...GATEWAY LAW 7

There are a thousand hacking at the branches of evil to one who is striking at the root.—Thoreau

The core issue in the Drug War is not drugs themselves but the unalienable right to possess and use them. And of course it stands to reason among a free people that if a right to possess something exists, a right to market the product or substance in question also exists. Government's only legitimate interest is honesty in labeling.

Beyond that it's simply caveat emptor.

De facto Prohibition has degenerated into a legal racket that serves opportunists, parasites, and criminals on both sides of the law. It is Gateway Law* that firmly establishes a legal, albeit unlawful, precedent for the power to violate the Bill of Rights under color of law**.

*The author's deliberately mocking take on so-called Gateway Drugs. When it comes to defending their financial turf, no lie is too absurd for the Drug Gestapo and their political handlers. Criminals each and all.

**color of law. The appearance or semblance of a legal right. The term usually implies a misuse of power made possible because the wrongdoer is clothed with the authority of the state.

WE hold these Truths...AN AMERICAN HERESY 8

Forcibly* interfering with an individual's effort to relieve his suffering is morally equivalent to inflicting the suffering. For this reason, such interference is intrinsically criminal.

*Fundamentally there are but two types of real crimes, 1. force and 2. fraud.

Today, any rational discussion of prohibition is considered heresy by America's ruling establishment du jour and its collaborating, lickspittle media. Since I am by nature hostile to Utopian Folly and I utterly detest those who profit from it, I am fiercely determined to share the conclusions I've drawn from a long and intense study of the intrinsically criminal, constructed de facto enterprise referred to as: The War on Drugs.

So then, what are the prohibitionists really afraid of? Do they fear propagation of the unpleasant truth that the problem – actually a multitude of personal problems – they pretend to address is not only insoluble by government sanctioned force but grossly exaggerated as well? Are they afraid too, that folks will eventually wise up to the fact that a personal vice is simply not a crime? Are they also afraid of the loss in their Legal

Plundering Privilege that might follow repeal? Since the real cause of a problem must be identified before any serious attempt to apply a solution can be implemented, I submit that there is a sinister financial motive behind the incrementally worsening oppression.

Cui bono?

Both philosophically and lawfully, the Declaration of Independence is America's fundamental legal source and the final authority on lawful, i.e., morally legitimate, power. The Declaration is a non-amendable promise made to every American. It is in fact a declaratory judgment recorded by the Second Continental Congress, July 1776 and enforced by the Continental Army and Patriot Volunteers.

The Constitution was created to fulfill the promise of the Declaration. If it can be said that it has a weakness, it is the interpretive vulnerability of the Commerce Clause. In fact, the Commerce Clause has proven to be the Constitution's Achilles' heel. It has given the unprincipled opportunists of America's professional politician and lawyer burdened legislative bodies virtually unbridled lawmaking power. By wrongful employment of the Commerce Clause, America's legislators have successfully alienated unalienable rights. Politicians called judges have underwritten the crimes of the elected legislators and executives, and by so doing have become culpable accessories.

[Note: I credit Ayn Rand for referring to the Commerce Clause as the Constitution's Achilles' heel.]

American government has become a legal Protection Racket by which a Judicial Industry continues to grow like some evil hydra. Those entrusted with our most sacred liberties have become the greed-driven Utopian destroyers of those very liberties.

Whether consciously or not, individuals and factions are naturally driven by selfish interests. So then, in the absence of ruthless personal accountability, America will continue to degenerate into a totalitarian state, serving the greedy unprincipled few at the expense of the shamefully acquiescing multitude.

In politics and government there is no such thing as self-limiting power, so, a significant number of Citizens must act on the certainty that elections alone will never salvage the American Ideal that is so eloquently expressed in the non-amendable Unanimous Declaration.

Obama's SS# is not his !?

Barack Obama should be in handcuffs and being tried in court as a criminal based on prima facie evidence claimed in a voter fraud complaint filed with the Hawaii Office of Elections by attorney Orly Taitz

In 2009 Dr. Taitz received reports from licensed investigators Neil Sankey and Susan Daniels, which show, that according to most reputable national databases for most of his life Barack Obama used a Connecticut Social Security number 042-68-4425, issued in 1977, even though he was never a resident of the state of Connecticut. In 1977, Social Security numbers were assigned according to the state where application were submitted. In 1977 Obama was nowhere near Connecticut, he was a student at the Punahoa school in Hawaii, where he resided. Additionally, national databases showed another birth date, associated with this number, a birth date of 1890. In around of 1976-1977, due to changes in Social Security administration, many elderly individuals, who never had Social Security numbers before, had to apply for their Social Security number for the first time in order to obtain Social Security benefits. It appears, that the number in question was assigned to an elderly individual in CT around March of 1977, the death of this elderly individual was never reported, and from around 1980-1981 this number was fraudulently assumed by Barack Obama. Exhibit 1, Affidavit of Susan Daniels

Taitz was a delegate at the Continental Congress Convention in 2009, where she had a discussion on the matter of Barack Obama's fraudulent use of the aforementioned Connecticut Social Security number with a recently retired senior deportation officer from the department of Homeland Security, John Sampson. Mr. Sampson provided her with an affidavit, attesting to the fact, that indeed according to national databases Obama is using a Connecticut Social Security number, even though there is no reasonable justification or explanation for such use by one, who resided in Hawaii in and around the time the Social Security number in question was issued.

In 2010, Barack Obama posted on line on WhiteHouse.gov his 2009 tax returns. As he posted those returns, he forgot to flatten the PDF file, so all of the layers of modification of the file became visible to the public. One of the pages contained Obama's full Social Security number 042-68-4425. Taitz received an affidavit from Adobe Illustrator program expert Chito Papa, attesting to the fact, that initially posted tax returns of Barack Obama contained Connecticut Social Security number 042-68-4425. Thousands of US citizens and individuals around the world were able to obtain the original file with the full Social Security number before Obama reposted after flattening the tax return PDF.

Taitz checked an official site for Selective Service SSS.gov. She entered name Barack Obama, date of birth 08.04.1961 (Obama's alleged birth date) and Connecticut Social Security number 042-68-4425, which Obama is using in his tax returns. She got a verification, showing, that Barack Obama registered for Selective Service, using this CT SSN. Two US government documents, showing Obama using CT SSN 042-68-4425.

Taitz received an affidavit from a witness Linda Jordan, who ran a E-Verify illegal alien check for the above Social Security number 042-68-4425. According to E-Verify, there is no match between Obama's name and the Social security he used in his tax returns and his Selective service application.

US Army officer, Colonel Gregory Hollister, reported he contacted SSNVS (Social Security Number Verification Systems) and found that the number Obama is using was never assigned to him. Additionally, there is a clear pattern of Social Security fraud by Obama's family members and friends. Recently Obama's uncle Onyango Obama was arrested for drunk driving and found to be using for employment a Social Security number, even though he is an illegal alien and not allowed to work. Obama's aunt Zeutuni Obama was stealing tax payer dollars by living in subsidized housing and using a state of Indiana-issued Social Security number, even though she is an illegal alien and was never a resident of the state of Indiana. Obama's close associate William Ayers, in his book "Fugitive Days" admitted to creating over a hundred fraudulent Social Security numbers using names of deceased infants, who did not get their Social Security numbers before their deaths.

For 3 years after his inauguration Obama refused to provide to the public his long form birth certificate. On April 27, 2011, when Obama posted his alleged long form birth certificate on line, just as with his tax returns, he originally did not flatten the file, and the serial number on it is higher, than the numbers issued later by the same registrar. Obviously, Obama's BC is fraudulent forged document. Numerous other parameters lead to the same conclusion by experts, that the document in question is not a copy of a 1961 type written document, but a computer generated forgery, created by cutting and pasting bits and pieces from different documents and filling in the blanks with computer graphics.

It appears, that Obama uses a Social Security number of a deceased elderly individual from the State of Connecticut, as well as a birth certificate number of a deceased infant from Hawaii. Research pointed to the fact little girl Virginia Sunahara was born in Honolulu on August 4, 1961 and passed away the next day. Recently her surviving brother Dunken Sunahara demanded to see her long form birth certificate, but the department of Health denied the request, even though it came from her brother obviously a close relative. Department of Health provided Mr. Sunahara only with a computer generated short form birth certificate with a serial number, which was suspiciously out of sequence from all the other numbers issued to infants born August 4, 1961, same as Obama claims.

Social Security administration refused to provide even a redacted application for CT SSN 042-68-4425, which Obama is fraudulently using.

Based on all of the above, and more, Barack H. Obama II aka Barry Soetoro, does not have any valid identification papers, which are necessary to be a candidate on the ballot.

It is imperative, that Office of Elections investigate not only Obama, but also director of Health Loretta Fuddy, registrar Alvin Onaka, Deputy attorney General Nagamine and former Chairwoman of the Democrat National Convention in 2008 Nancy Pelosi, who certified Obama's prior certificate of a candidate, as well as Attorney General Eric Holder, Commissioner of Social Security Michael Astrue, and a number of judges involved in this Obama fraud case, for purpose of criminal prosecution for conspiracy to commit fraud, uttering of forged documents, alteration/forgery of documents, elections fraud and Social Security Fraud.

Yes, lots of evidence points to Kenya as Obama/Soetoro's birth place, not Hawaii.

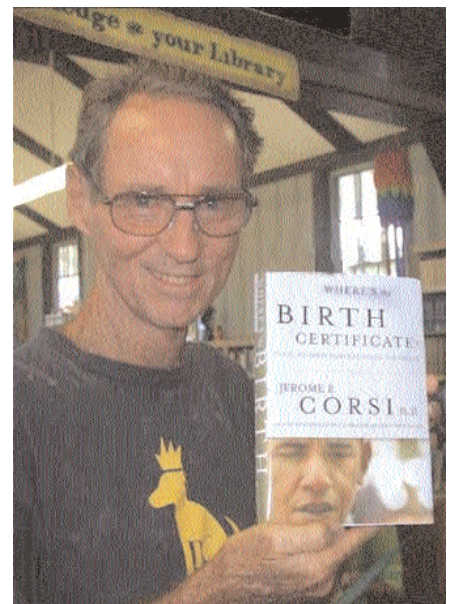

Lots of evidence shows the Obamagan is motivated by a lawless hostility toward the Constitution for the United States of America the Supreme Law of the Land; applies race biased invidious discriminatory animus toward middle class and poor

Caucasians; and, exempts his cohorts from the equal enforcement of the law to effect a power shift away from Constitutionally limited government in republican form by We The People to incrementally effect a race/sectarian biased Marxist socialist dictatorship under color of law, i.e., "fundamentally change America" as Obama promised he would do.

Obama should be immediately arrested for TREASON, War Crimes, Fraud, etc. etc. along with all his Czars and attorneys and justice obstructing federal judges and complicit members of Congress and Senate, and Bush I&II, and Clintons B&H, Pelosi, Reid, and State of Hawaii governors Linda Lingle, Neil Abercrombie, DNC,

RNC, militant Black Panthers, Zionists, and Neo-Cons. If not, USA is on the fast track to 3rd World Order.

Blogger Koos is right: White voters let their self-hatred and white coolie guilt overrule good sense and good judgement when they voted for this slimeball illegal alien fraud Obama/Soetoro, and his cabal of far-left Israel-first and Muslim Black Nationalist enemies of the Constitution and the natural born American Citizens and good legal immigrants. You deserve Obama government, unless you repent to God and take immediate action to correct this Constitutional crisis as is our DUTY as described in our 1776 Unanimous Declaration ! George Peabody, editor since 1984.

Obama's GREEN SCAMS! Blowing in the Wind.....Broke down, Bizarro World of Obama Czars, etc

Who is Running Crazy White House?

Janet Napolitano head of Homeland Security is just one of barry soetero's criminal's, in his BIZARRO WORLD view, of american leadership. When she was gov. of arizona, she let in more than 4 million illegal invaders, and now runs HOMELAND SECURITY. BIZARRO WORLD! kathleen sebilous, america's #1 baby killer, is now head of health & human services, BIZARRO WORLD! known tax cheat, tim geitner, is now treasury chief, BIZARRO WORLD! and it goes on & on. then there is the anti-american, black liberation theologian, eric holder as DOJ boss, just beautiful, BIZARRO WORLD!!! the current COUP, is now, almost 3 years old. retired generals are screaming but, not heard. pray for sheriff joe.

Napolitano and Holder have amnesia when it comes to "FAST AND FURIOUS Guns to Mexico", but when states vote for laws concerning the welfare of illegals, they both work to have the laws changed in favor of the illegals. They need to be put in prison along with Obama and his illegal immigrant welfare dependent relatives.

And we have the new Molokai Cruise Ship Controversy? Taking Tourists to East Molokai? West Molokai is Tourist land!

American Safari Cruises becomes the first cruise line to offer unstructured inter-island yacht cruising in Hawaii, where the next "port" may not be a port at all. It might be Kaunakakai, Molokai, where the KAPU signs say go away. That is what happened yesterday during its first trial run practice. see photos.

The 36-guest Safari Explorer 145 feet long is equipped with all the gear and expertise for kayaking, snorkeling. During this week-long Hawaii yacht cruise,

passengers will see and experience Maui, Lana'i, and maybe Molokai's westend designated for tourism, and the Big Island from this small scale floating hotel.

The first official cruise began today October 26. Each of the 11 day/10 night and 8 day/7 night itineraries sail one-way between Maalaea, Maui and Kona, Big Island with intermediate visits to Molokai and Lanai. Room & board costs between \$5000 to \$8000 per person.

Protesters ran off the big cruise ships planning Molokai stops a few years ago.
