New “Landfill” site Consolidates Future Trash by Mount Opala But, Metals Rejected Appear in “Secret Places”

Molokai residents, County rubbish service and commercial rubbish trucks are bring all their never ending supply of materials to the new landfill situated next to the now completed and shutdown Mount Opala. But the related problem of metal junks, appliances, water heaters, auto bodies and frames, rusted pipes being rejected at the new facility is manifesting itself out into the “hidden from sight” but vehicle accessible brush areas [photo at left] and ravines of our rural community because the Kalilikane Metal Recycle site is full up and must be shipped out before more can be allowed in. The Greenwaste recycling chipper was back in operation last week trying to catchup after being out of commission for a while. Also, the new recycle site [bottom photo] is not completely constructed yet, but the aluminium can baler and glass and plastics and waste oil operation continues as efficiently as possible in the old location near the weight station entrance.

Lingle’s Jewish Nation of Terrorists Invited to Hawaii?

Right there on the front page of the Honolulu Advertiser was a strange headline: Hawaii chosen as manufacturing site for electric mini-cars (4/7/2010).

It has been rumored that Israel was bringing an electric car company to Hawai'i. Is this it, being cloaked in a Korean persona? Is this another back door maneuver by Lingle to allow her favorite terrorist country Israel, whose people practice Apartheid and blatant disregard for human rights, into Hawaii.?

You calling me anti-semitic? In USA we are not allowed to mention Jewish terrorism and their practice of Aparteid against Palistinians? NOT.

The truth is this: Better Place, the company that is indeed bringing electric cars to Hawaii is headed by Major General Moshe Kaplinsky, former Deputy Chief of Staff of the IDF. A shareholder is Israel Corporation. Better Place was reported last year to be building recharging stations for the IDF's electric troop carriers, and of course, ran its trials for Israel in Tel Aviv. It will supply charging stations for the illegally occupied West Bank Jewish settlements. Invited to do business here?

Obama on Trial May 14: Charged with FRAUD and Conspiracy with Columbia U.

Dr. James Manning has made the charge that Columbia University issued a degree to Barack Obama when in fact he never attended that college. The ramifications of this matter are overwhelming. If proven true, the fact that Obama conspired with Columbia to manufacture a fraudulent past would be labeled as "the crime of the century."

On May 14th, the Atlah Ministries in Harlem, New York will sponsor an event that can literally change history. This time, “we the people” will put Columbia University on trial for conspiring with Obama to defraud America.

The trial will be broadcast live. **Updates to follow in The MAN**

Obama Terrorist List Proposed as Anti-2nd Am Justification

TERRORIST Lists Are the NEW Anti-2nd Amendment boogieman
Proposed amendments to the 1968 GCA could destroy 2A - at a little publicized hearing for 5/5/10 [TOO LATE NOTICE not by accident!!]

Sen. Frank Lautenberg, D-N.J., introduced legislation last year to prohibit people on any terror watch list, or who are known to belong to a terrorist organization, from purchasing guns. The bill would authorize the attorney general to deny sale or transfer of firearms to known or suspected terrorists. But it has been struck down by gun rights advocates who said it would breach citizens' constitutional rights.

The bill would also amend the GCA provision (18 U.S.C. § 922(g)) that enumerates several classes of persons who are prohibited from shipping, transporting, possessing, or receiving a firearm or ammunition, so that it would include persons who were the subject of terrorism-related determinations. The bill would amend the GCA provision (18 U.S.C. § 922(d)) that prohibits any person from transferring a firearm to any prohibited person to include any person who was the subject of a terrorism-related determination as well. In addition, the bill would amend the NICS background check provisions (18 U.S.C. § 922(t)) to reflect that the Attorney General would have this new discretionary authority under the proposed 18 U.S.C. §§ 922A and B. The bill would make similar amendments to the provisions of the GCA governing the processes by which federal firearms dealer licenses are issued and revoked (18 U.S.C. §§ 923(d) and (e)).

With regard to NICS denials of firearms transfers or state-issued firearms permits based upon terrorist watch list hits and subsequent determinations by the Attorney General, the bill would amend the Brady Act (P.L. 103-159) to allow a denied prospective transferee to request from the Attorney General the reasons for the denial, but it would also give the Attorney General the authority to withhold those reasons if he determines that such a disclosure would compromise national security. The bill would make a similar amendment to the Brady Act in regard to correction of erroneous information.

Furthermore, the bill would amend the GCA provision that addresses erroneous denials (18 U.S.C. § 925A), to allow any person denied a firearms-related transfer or permit to challenge that determination in U.S. court within 60 days of that determination. This proposed amendment would require the court to sustain the Attorney General's determination upon a showing by the U.S. Government a preponderance of evidence standard that the determination satisfied the proposed provisions described above (18 U.S.C. §§ 922A and B). The proposed amendment would also allow the court to rely upon summaries or redacted versions of documents underlying those determinations, if those documents contained information that could compromise national security, but it would also allow a court to review the full, undisclosed documents ex parte and in camera at the court's option or on the motion of the petitioner (denied person). The proposed amendment would also allow the court to determine whether the summaries or redacted versions of the documents were fair and accurate representations of the underlying documents; however, it would not allow the court to overturn the Attorney General's determination based on the full and un-redacted documents.

"Membership in a terrorist organization does not prohibit a person from possessing firearms or explosives under current federal law," the GAO report states. "However, for homeland security and other purposes, the FBI is notified when a firearm or explosives background check involves an individual on the terrorist watchlist."

This "dangerous loophole" in the system is "stunning and infuriating," Sen. Joe Lieberman, chairman of the Senate Homeland Security and Government Affairs said at last week's hearing on anti-gun rights amendments he wants to the federal Gun Control Act.

The committee held a hearing to discuss the merits of a law barring people on the many U.S. watch lists from purchasing guns.

"We are simply not doing all we can to stop terrorists from buying guns," said Lieberman, a Connecticut fascist stooge and terrorist himself.

Bill of Rights 2nd Amendment:
“A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed.”

Wake up militia! Use it , or lose it ! Got your gun, yet?

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."

(Unanimous Declaration of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. The Organs would very quickly have suffered a shortage of officers and transports and, notwithstanding all of Stalin's thirst; the cursed machine would have ground to a halt!" -- The Gulag Archipelago, Aleksandr Solzhenitsyn

USA is a Republic “If you can keep it”

REPUBLIC: (RES=thing; PUBLICA=public. The REPUBLIC or public thing is the CONSTITUTION for the United States of America. And, keeping it of the People, by the People, and for the People is the challenge and the reason our Right to Keep and Bear Arms is vital to our FREEDOM and Liberty. But Obama, Clinton et al want to take our guns. Why?

QUESTION: Why won't SPLC debate JPFO's stance on the deadly relationship between genocide by government and "gun control" confiscation and prohibition over the last one hundred years?

ANSWER: Because it's the ugly truth, and SPLC fears the American people understanding this reality.

QUESTION: Why hasn't SPLC rebutted JPFO's groundbreaking, and meticulously documented, revelation that the police have NO LEGAL DUTY to protect you or your loved ones?

ANSWER: Because it's the truth. Federal and State courts have consistently ruled exactly this. SPLC doesn't want people to know this disturbing truth because SPLC's "gun control" agenda would then be revealed and furiously rejected across the Republic.

QUESTION: Why hasn't SPLC refuted JPFO's fully documented revelation that Nazi German gun laws were imported into American law in the form of "The Gun Control Act of 1968" by the late Senator Thomas Dodd?

ANSWER: Because the SPLC wholeheartedly supports these vile and life destroying laws.

QUESTION: Why hasn't SPLC labeled JPFO's ground breaking documentary about the first widespread "gun control" laws in America, "No Guns for Negroes", as racist?

ANSWER: Because it is the truth, and the film's message is the exact antithesis of racism. SPLC supports racist laws.

QUESTION: Why has SPLC patently ignored the revelations of government criminality that JPFO has exposed in our documentary "The Gang"?

ANSWER: SPLC needs BATFE to carry out its agenda of demonizing, damning, and disarming gun owners.

SPLC thrives on lies, innuendo, semantic distortion, illogical emotionalism, and outright idiocy to run their propagandistic brainwashing campaigns. They throw everyone into the same bucket and call them the dangerous "Patriots" or "Militia".

When, may I ask, has being a "Patriot" become some badge of evil? This is poisonous political correctness media control by the Southern Poverty Law Center. These tactics have been used in modern history by tyrannies to enslave entire populations.

Don't be fooled by the Southern Poverty Law Center's treachery.

Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

Wake up ! Enforce the Bill of Rights !

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed." Exercise the 2nd Amendment.
