## Molokai High School Class of 2010 Graduation Ceremony Sets Them Free to Navigate Through Their Future Successes

Molokai High School Class 2010 stands proud and ready to move forward, and deep in leis the Valedictorian Jesse Lite spoke of his educational experience at MHS and declared that he has chosen to stay on Molokai to become a minister.

The annual Senior Luau is scheduled for Saturday, May 29, 2010 at 6:00 pm in the gym. Senior parents: Please call Melody Alcon at 553-3443 to reserve your tickets ASAP. Cost is \$25 per ticket.

As adults now, these MHS graduates must face some very ugly realities: The unConstitutional War on Medical Marijuana that Obama promised to stop continues business as usual as the federal and local police prohibition-related violence continues to wrack the country with more SWAT raids at wrong locations that leave a 7-year old girl dead by police gunfire and a grandmother hospitalized with a heart attack, and more family dogs murdered by police. I doubt Barack Obama thinks of himself as a criminal, though he should. He has admitted to using illegal drugs during his high school and college years -- lots, in fact. Maybe if Obama thought of himself as a criminal he wouldn't have just endorsed spending even more money on prisons at a time when scarce resources would be much better spent on education. How you can reel in the MPD's paramilitarized attacks on United States Citizens whose lives, liberties, freedoms and property are protected by the Constitution for the United States of America, the Law of the Land? Read it! Enforce the Bill of Rights, or be slaves! Also, the future of our youth looks to be more like subjugation as EVERY civil official, starting with usurper Obama et al and Congress and Judiciary, has begun or is now willing to recall the power of the CROWN and think themselves GOD! How do elite political entities BANKRUPT a Nation, and subjugate the Sovereign People? SPENDING into debt beyond sustainable limits, a debt that becomes the unbearable burden of the next generation of adults, i.e., the Class of 2010, without jobs, and without freedoms, without access to the rights granted by God and our Constitution for the United States of America that are being obfuscated and DENIED to you by corrupted Judges, special interest politicians, and fascist police.

The editors and staff at [www.MolokaiAdvertiserNews.com](http://www.MolokaiAdvertiserNews.com) [aka The MANonline] wish every success in regaining the moral, economic, and political power that belong to Sovereign United States Citizens to enjoy the freedom and liberties guaranteed by our Constitution and protected by the government in republican form to be free from Tyrants and Devils: read;

### Breaking News 5-26: Plan Commissioners Noticed re: Dunbar Title Dispute

#### WHO OWNS MOLOKAI ?

Preliminary report from the Molokai Planning Commission meeting re: agenda #2 Dunbar submits after the fact Special Management Area Assessment application to remodel an existing 2,100 square foot house at TMK: 5-7-004: 007, Kainalu (Valuation: \$180,000) indicates that the Commissioners may take action on this request to NOT concur with the recommendation for SMA exemption after testimony presented by Paul Kauka Naki-Cullen [aka Kauka] sui juris who purports to lawful ownership of lands controlled by Dunbar, and that Dunbar's title claims are merely "Broken Titles" and invalid "QuitClaims" that are trumped by Naki-Cullen's Royal Patents. An official tax map from 1926 presented by Kauka shows the name of his Kupuna Paul Naki on the lands of the ahupuaa which may also dispel Kip Dunbar's claim to be the Konohiki of the Ahupuaa. The Commissioners also noticed that Dunbar's renovation project is well underway without permits and that this is an after the fact non-emergency application for SMA exemption. [Dunbar received \$2.3 million from Taxpayers for a Conservation easement]

IN RELATED LAND DISPUTE: Paul Kauka Naki-Cullen [Kauka] is a Defendant sui juris in Civ 05-1-0148[1], Stanley & Joanne Griep vs Carl Kaimikaua et al, regarding a Quiet Title action for land at TMK 2-5-7-04-24 that is part of the ahupuaa of Kamanoni in the eastend of Molokai near Kainalu. The entire ahupuaa of Kamanoni is claimed by Kauka and his Naki Ohana based on a stack of official documents dating from the Will of Alii Charles Lunalilo to the Hui of Daniela Napela and Hale Papi, a Royal Patent, then down a chain of heirs to Paul Kauka Naki eKahi who died in 1959, recognized by Court proceedings. Kauka claims clear title to the lands over the "adverse possession" type claims and requests for "quiet title" of Grieps et al presented by their attorney Tom Leuteneker who also stated in court that there are no disputes of law and facts and demanded Summary Judgment against Kauka et al. [Kauka's documents notwithstanding?]

Paul Kauka Naki-Cullen sui juris filed his evidence of Title with the Clerk of Court as proof of valid questions of law and fact that precludes any summary judgment to Grieps; also, Kauka entered an Order of Summary Judgment Rule 55 in favor of Naki Ohana as required by law. ## Obama Records Coverup by Military? Obama's SS# is FRAUD: dead man's !

By Joe Kovacs

Is the U.S. Selective Service System now blocking access to President Barack Obama's online registration records?

Members of the public searching the federal database for the commander in chief's registration are suddenly finding new difficulty, possibly due to the startling revelation of Obama's alleged use of a Connecticut-based Social Security Number.

The Selective Service System, or SSS, collects names of Americans for use by the Department of Defense in the event of a national emergency. But the agency's online search engine now appears to be precluding the public from seeing Obama's record after allowing unfettered public access.

The database allows people to search for registrants as long as a correct name, Social Security Number and date of birth are entered.

On May 5, WND entered the criteria for President Obama, using his date of birth as Aug. 4, 1961, and his Social Security Number, which begins with the Connecticut-issued prefix of 042. The Selective Service database instantly issued a "matched record" without a problem that day, indicating Obama's Selective Service Number is 61-1125539-1. It lists date of registration as Sept. 4, 1980.

However, when WND re-entered the same information on May 20, the database did not provide the matched record, but instead posted a message, stating, "Error. Sorry, your request cannot be processed at this time because you have exceeded the daily limit for the verification of these credentials."

WND asked Selective Service what was causing the sudden problem in retrieving records. SSS spokesman Amon said it's likely because many people across the nation are now searching for Obama's records. He initially said the agency created a limit of three verification requests per day for any given record. He said when more than three requests are submitted - no matter where they're entered from - people after that would see the error message noting the daily limit has been exceeded.

However, when WND repeatedly entered valid information for another American registrant, it received a matched record without any error message despite dozens of requests in the same day.

Amon said he checked with the information-technology department about the limit, and admitted, "They got a little edgy." "They just didn't want to answer it," Amon said, explaining the IT administrators did not wish to "divulge specifics of the system." [Can you say OBSTRUCTION !!!]

WND tried a variety of combinations for Obama, sometimes using his correct information, and sometimes using incorrect data, such as changing his date of birth or submitting random Social Security Numbers such as 111-11-1111.

When at least two of the three criteria were entered correctly, WND received the error message indicating the daily limit had been exceeded.

However, when less than two were correct for Obama, such as his name only, WND received a message stating, "Sorry. Based on the information you submitted ... a registration record cannot be found for this individual."

### OBAMA's SS# is a FRAUD ? A dead man's SS# ?

WND's disclosure that two private investigators working independently are wondering why Obama is using a Social Security Number set aside for applicants in Connecticut while there is no record Obama had a mailing address in the state.

The stunning revelation apparently prompted Internet giant Google to clamp down specifically on WND's report and warn that some sites carrying information on the situation "may harm your computer."

The Social Security website confirms the first three numbers in his ID are reserved for applicants with Connecticut addresses, 040-049.

The question is being raised amid speculation about the president's history fueled by an extraordinary lack of public documentation. Along with his original birth certificate, Obama also has not released educational records, scholarly articles, passport documents, medical records, papers from his service in the Illinois state Senate, Illinois State Bar Association records, any baptism records and adoption papers. If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. The Organs would very quickly have suffered a shortage of officers and transports and, notwithstanding all of Stalin's thirst; the cursed machine would have ground to a halt!" -- The Gulag Archipelago, Aleksandr Solzhenitsyn

## Cops Are NOT Friends of Freedom

Armed Citizens must STOP criminal behavior by Police!

It is pure mythology that the police are there to enforce the Law of the Land, i.e., the Constitution for the United States of America. We've seen numerous examples of police lawlessness, from falsely arresting demonstrators, to murdering people and lying about it, to recently killing a seven-year-old girl in her home (and most likely lying about it), even murdering pets.

Historically, police have supported the power structure with or without the law on their side. Whether beating up union organizers for the robber barons or capturing escaped slaves and returning them to their owners for the bounty, police have acted both with and in spite of the law. Today, police, no longer returning runaway slaves, are still enforcing power against YOU as if you are a slave.

There is no excuse for tasing anyone to bring about compliance. Here is another case where a boy with autism was tased.

Remember, it is not unusual for police to lie, particularly when they have done something wrong, whether it is killing a seven-year-old girl or tasing an autistic boy sitting on a curb, unarmed and posed no threat. They didn't even claim he did.

Result: A broken tooth, scrapes and bruises and two puncture marks from Tasers are the reminders Clifford Grevemberg has of being attacked by police without justification.

Tybee Police officers asked for his ID twice. The second time he says it turned violent. "They basically threw me down to the ground," Clifford said. "Before I hit the ground, they Tased me. That's when I lost my tooth."

Clifford's brother Dario arrived and said his face was completely bloodied. "He was in handcuffs, he had a Taser sticking out of his back and he was screaming for help. He was asking me to help him. All he could do was cry and scream, he was in agony." Dario said he told the officers repeatedly that Clifford was autistic and has a heart condition. "They completely disregarded anything I said," said Dario.

Police chief said the cops were just doing what they are trained to do. Ok, then better stop training them to be criminals because Citizens are going to put a stop to such behavior by these fascist paramilitary police officers.

The Taser can kill, and police should be disciplined for using them inappropriately, and their superiors held responsible too.

## Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

## Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

**Wake up ! Enforce the Bill of Rights !**

## Jury Verdict: Obama Guilty of Greatest Voter Fraud in US History

The Harlem Trial, May 14-19, prosecuted by Dr. James David Manning PROVED "beyond any reasonable doubt" that Barack Hussein Obama is guilty of all charges, never attended Columbia University, and the Trial jury deliberated for over 3 hrs. until they came up with the verdict for defendants Barack Hussein Obama & Columbia: FOUND GUILTY ON ALL charges. The charges include "mail fraud," "wire fraud," "obstruction of justice," & "sedition." Barack HUSSEIN Obama has been found guilty of the greatest FRAUD in U.S. election history.

The reputation & credibility of many Journalists, & politicians, have been irrevocably destroyed a well. The MYTHS planted by Barack HUSSEIN Obama have been destroyed. Barack Hussein Obama NOW has a great deal of explaining to do about who he is, where he came from, & why he is using a dead man's SSN. The trial, the evidence, & the guilty verdict, PROVE that Barack HUSSEIN Obama is NOT who he claims to be, & is NEAR the END.

Obviously, the Bush family, & the Clinton family, The DNC and RNC were in on the FRAUD, along with all major Zionist controlled media. The U.S. Supreme Court was in on the FRAUD. The U.S. House & Senate were in on the FRAUD. The big question is: What will the U.S. Military do about this FRAUD? Will the U.S. Military blindly follow orders from such a FRAUD-IN-CHIEF?

### Obama's SS# is FRAUD: dead man's !

By Joe Kovacs

Members of the public searching the federal database for Obama's selective service registration are suddenly finding new difficulty, possibly due to the startling revelation of Obama's alleged use of a Connecticut-based Social Security Number, state where Obama never had a residence address.

WND's disclosure that two private investigators working independently are wondering why Obama is using a Social Security Number set aside for applicants in Connecticut while there is no record Obama had a mailing address there.

The stunning revelation apparently prompted Internet giant Google to clamp down specifically on WND's report and warn that some sites carrying information on the situation "may harm your computer."

[Who the Hell is Barack Hussein Obama ? TRAITOR, FRAUD]

Robert Siciliano, president and CEO of IDTheftSecurity.com and a nationally recognized expert on identity theft, agrees the Social Security number should be questioned. "I know Social Security numbers have been issued to people in states where they don't live, but there's usually a good reason the person applied for a Social Security number in a different state," Siciliano told WND.

WND asked Siciliano whether he thought the question was one the White House should answer. "Yes," he replied. "In the case of President Obama, I really don't know what the good reason would be that he has a Social Security number issued in Connecticut when we know he was a resident of Hawaii."

### 9 Indicted on Charges of Accessing Obama's Student Loan Records

May 13th, 2010 Associated Press

Nine people have been vindictively indicted in federal court on charges they accessed President Obama's student loan records while they were employed for a Department of Education contractor in Iowa between 2007 and March 2009.

The U.S. attorney's office got the indictments Wednesday in U.S. District Court in Davenport. The unauthorized access charge is punishable by up to one year in prison and a fine of up to \$100,000.

### New Hawaii law shuns requests for Obama's birth document

HONOLULU - It's now law in Hawaii that the state government can ignore repetitive requests for President Barack Obama's birth certificate. Its the beginning of the End of FOIA ! FACISTS have taken over USA.

Republican Gov. Linda Lingle signed into law Wednesday a bill allowing state government agencies not to respond to follow-up requests for information if they determine that the subsequent request is duplicative or substantially similar to a previous request.

The law is aimed at so-called "birthers," who claim Obama is ineligible to be president. They contend the Democratic president was born outside the United States, and therefore doesn't meet a constitutional requirement for being president.

State Health Director Dr. Chiyome Fukino supported the law because the state still gets between 10 and 20 e-mails per week seeking verification of Obama's birth, most of them from outside Hawaii.

[Smell the Rat? I get 5 times that amount of email in my personal spam folder, but the State supports such a law to suppress email.. its OBSTRUCTION ]

Advocates for openness in government oppose the law because they fear it could be used to ignore legitimate requests for information on other subjects.

The bill is SB2937.
