Obama Allows Torture and Gitmo! Senator Dan Inouye Stops Funding for Gitmo-Cuba Prison Closure

Above Obama hangs a "sword of Damocles" that will threaten his image as long as he hold back new torture photos that he promised to release, and as long as GITMO remains open, and as long as our government refuses to prosecute the real criminals who tortured and cost prisoners their lives—the story of the homicides has largely not even surfaced in the American press. The worst criminals are the ones at the top during the Bush administration, but Obama has become complicit and is obstructing justice with his coverup of evidence like these photos that were leaked, and worse. Obama is continuing to use a notorious military police unit at Guantanamo that regularly brutalizes unarmed prisoners, including gang-beating them, breaking their bones, gouging their eyes and dousing them with chemicals.

And Hawaii Senator Dan Inouye is also complicit, now his new crime is to block funding that was to be used to close GITMO-Cuba. Voting 90-6, the Senate stripped \$80 million from a supplemental military funding bill, \$50 million of which was designated to close the controversial prison and \$30 million for a Justice Department investigation into torture techniques used there.

GITMO's Immediate Reaction Force is a thug squad that is used to mercilessly punish prisoners who show the slightest bit of resistance or who do things that technically they're not supposed to do, infractions like having two Styrofoam cups in their cell instead of one.

GITMO Guards will call in this goon squad. They come in with their Darth Vader outfits, and they literally gang-beat prisoners. There are five men, generally, that are sent in. Each of them is assigned to one body part of the prisoner: the head, the left arm, the right arm, the left leg, the right leg. They go in, and they hogtie the prisoner, sometimes leaving them hogtied for hours on end. They douse them with chemical agents. They have put their heads in toilets and flushed the toilets repeatedly. They have urinated on the heads of prisoners. They've squeezed their testicles in the course of restraining them. They've taken the feces from one prisoner and smeared it in the face of another prisoner.

Barack Obama issued an executive order saying he was going to close down Guantanamo within a year and that he was going to respect the Geneva Convention while his administration reviewed Guantanamo, but this force has continued to operate and torture prisoners under the Obama administration.

In February of this year, about a month after Obama was inaugurated, there were sixteen prisoners on a hunger strike at Guantanamo. Immediate Reaction Force was used to go in and violently shove massive tubes down their noses into their stomachs. They would use no anesthetics or any painkillers, shove this massive tube by force down their nose into their stomach and then yank it out. Obviously this is torture, torture, torture. Many have passed out from the pain.

And, it does not speak well of Democrats like Hawaii Sen. Dan Inouye who have been briefed on the torture that they are working against resolution of the torture issues and of their own likely complicity in torture and the coverup.

Lingle Complicit in Superferry \$40-M Taxpayer Ripoff

So what's happening with the \$40 million harbor improvement money to be paid by Hawaii Superferry?

Hawaii Superferry is in the process of canceling its revocable leases with the state Department of Transportation for harbor space, according to Michael Formby, DOT deputy director of the Harbors Division. HSF has also filed papers for Bankruptcy to avoid paying creditors.

I hope a lot of Citizens will ask Lingle whether she will be recovering that \$40 million under authority of the 3rd Mortgage on the HSF held by this State. Why not sell off the barges, ramps and other equipment? The third mortgage that the state holds against non-payment appears to be a FRAUDULENT scam by Lingle, the largest known ripoff by an elected official in Hawaii's modern times.

The state has no plans at this point to lease the properties to anyone else or to sell off \$40 million worth of barges, ramps and other equipment purchased to load and unload vehicles from the HSF, Formby said.

Hey, we Hawaii Taxpayers and harbor users don't owe the Superferry a parting gift of that \$40-million.

ITS THE ECONOMY STUPID: WORST is YET to COME

OBAMA economics and history say Hawaii economy will get WORSE.

It was the second half of the great stock decline after the 1929 Crash that did the most damage, because this is when the carnage moved from financial assets and the banks into the real economy, with unemployment rising to 25% into the trough of the Depression in 1930.

Roosevelt came into office and began spending and innovating with programs to attempt to mitigate the impact of the economic collapse on America's families. Other countries, such as Italy, German and Japan, made their own political choices. We need to bear in mind that America itself came perilously close to a genuine brand fascism, and not the cartoon caricature presidential overreach cited by the corporate elites of the day. Hitler and Mussolini were the solutions proposed by the industrialists, they were their men, and they bankrolled them.

And so here we are. What comes next is anyone's guess. But by now you should be accepting and internalizing the general themes, including the devaluation of the dollar down to levels that are probably still not believable, an activist central government nationalizing key industries, civil unrest and agitation, and a confusing cacophony of hysterical mumbo jumbo coming from media whores and corrupt officials. We have just finished the beginning, the easy part, the initial collapse of the bubble. The worst is yet to come.

Gun Owners for Obama Got Fooled

Before the presidential election, I was severely chastised by gun-owning supporters of Barack Obama for suggesting he was the worst choice for president.

You see, Obama has never met a gun control bill that he did not support. His voting record on gun control legislation is 100% anti-gun.

Yet for some reason normally sane "pro-gunners" actually voted for Obama in sufficient quantities to get him elected.

Well, those "Gun Owners for Obama" got fooled and here is the proof...

If a politician will vote to limit in any way your rights to own, carry, or use ANY type of firearm, then he is effectively attempting to shift the balance of power away from the people who elected him and place more power into the hands of the government.

What does a politician have to fear from allowing his law-abiding constituents to own or carry the same weapons as our military and police?

What does a politician have in mind for us and our children that he cannot trust us with firearms?

What kind of change does a politician want for our country that he feels he must first disarm us to accomplish?

Please contact your US Senators with outrage for Obama even suggesting the United States of America allow another country to tell American gun owners what firearms we can own, carry or use!

What term best describes anyone who supports this treaty — including Bill Clinton who originally agreed to it, Barack Obama who brought it back from the grave in the hopes that he can now get it ratified, and any US Senator who signs it such as Hawaii Sen. Dan Inouye? Can you spell TREASON?

Stop War on Drugs 2009

Every day that goes by, 4,000 people are arrested for drug offenses, the vast majority of them minor, and half a million nonviolent drug offenders languish in the staggering number of prisons and jails the fascist Police State American government has very unwisely built. Obama promised to stop it! WELL.....??

It's time to stop this senseless tragedy and shocking injustice.

9-11 EVIL
Israel's Central Role in the September 11, 2001 Terrorist Attacks

Special 5th Anniversary Edition

The Most Dangerous 9-11 Book Ever Written!

VICTOR THORN

After reading 9-11 Evil, Nobody Can Deny Israel's Involvement in Mass Murder 9-11

There is a preponderance of evidence presented in this book pointing to Israel's role as the planner, coordinator, and executioner of the 9-11 attacks, but going further in truth than earlier well founded videos such as Loose Change and Confronting the Evidence, Victor Thorn names the names and the Evil Entity.

Hard evidence, current and historical, are proof that the US government's official version is false and is aided and abetted in a very criminal way by big media.

Contrary to the Jewish controlled national media reports that Osama bin Ladin did 9-11 and reveled in its success, bin Ladin denied any role, and the FBI and CIA have never found any evidence connecting him to it. "I was not involved in the September 11 attacks in the United States nor did I have knowledge of the attacks. There exists a government within a government within the United States....The American system is totally in the control of the Jews, whose first priority is Israel, not the United States."

Yes, the evidence Thorn presents will blow the cover off the myth of 9-11 perpetrated by government Neocons in office, Zionist-Jews in office and positions of great information access Top Secret and control, and leaders of Israel where foreknowledge of the 9-11 mass murder ran deepest. Wake up, America! Its Israel !

Molokai's Forum For Freedom

New MPD Chief Gary Yabuta Follows Phillips Fascist foot step

Police and Prosecutors deal drugs and entrap people so they can show they caught "criminals", especially medical marijuana users. They make up criminal charges. Its FRAUD and TREASON! ENOUGH. CITIZENS PROTECT THEMSELVES from these fascist stooges. We Enforce the Bill of Rights!

New MPD Chief Gary Yabuta said he "loves Thom Phillips" and is perpetuating the unlawful discriminatory treasonous policies of his former boss against the MAN's demands for MPD reforms to protect Citizen's rights.

When Thomas Phillips was chief of MPD, he was supposed to comply with intent of law HRS 134 to issue a license to carry a gun to anyone of good character who requests a license, but the policy of Phillips and all chiefs of police in Hawaii is NO LICENSE to CARRY for anyone but police and "special people". This unConstitutional policy violates the 2nd Amendment and puts Citizens in position of no defense against criminals, and is being perpetuated by new Chief Yabuta. He is NOT doing his job, and he is violating the 2nd Amendment rights of all The People— "...the right of the People to keep and bear arms shall not be infringed" —by enforcing unconstitutional gun laws chapter 134 HRS.

The People need OUR guns to protect against such tyranny by government fascist stooges who cause the People to fear them, fear their monopoly on use of force, fear their indemnity, fear their immunity for violence against The People. Its time for TurnAbout! "When the government fears The People, there is liberty. When the People fear the government there is tyranny," wrote Thomas Jefferson. It is true, today. VERY true in Maui County and Lingle's Police State.

And what recourse does a Citizen have now against corrupt police or prosecutors? Without our guns to enforce our sovereignty, its a joke. Haaaahahaha! Yet, there WILL be accountability, which is why MPD et al do NOT want Citizens to have guns for protection from tyrants. These MAN reports are disturbing to the MPD and other political interests that have Hawaii prostrate before their organized criminal rackets. The Maui Council should enact an Accountability Law to Prosecute All Government Agents for their crimes because the existing system simply protects police, prosecutors, attorneys, et al from criminal liability.

WHO are the DOMESTIC ENEMIES of the Constitution? Those who make laws contrary to the Constitution. Those who enforce laws contrary to the Constitution. And those who give orders contrary to the Constitution have become domestic enemies of the Constitution, and The People!

It doesn't take a Judge or a lawyer to know the difference! We KNOW !

HUKA WAI I KE PILI !!

WE THE PEOPLE MUST STOP the TREASON

A republican form of government is one in which we must govern ourselves and protect ourselves because there is a time when the operation of the machine becomes so odious, makes you so sick at heart, that you can't take part; you can't even passively take part, and you've got to put your bodies upon the gears and upon the wheels, upon the levers, upon all the apparatus, and you've got to make it stop. And you've got to indicate to the people who run it, to the people who own it, that unless you're free, the machine will be prevented from working at all! A republican form of government is one in which we govern ourselves and protect ourselves by binding our public servants with the chains of the Constitution for the united States of America.

Bill of Rights 2nd Amendment: "A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed."

Wake up militia! Use it , or lose it ! Got your gun, yet?

"...with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, or fortunes and our sacred honor."

(Unanimous Declaration of Independence)

If you will not fight for the right when you can easily win without bloodshed, and, if you will not fight when your victory will be sure and not too costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.

"The people cannot delegate to government the power to do anything which would be unlawful for them to do themselves."- John Locke

"Those who make peaceful change impossible, make violent change inevitable." -- Robert F. Kennedy

"Rebellion against tyrants is obedience to God." T.J.

Enforce the Bill of Rights !

"And how we burned in the camps later, thinking: What would things have been like if every Security operative [insert your favorite alphabet Gang DEA, BATFE, H.S., TSA, FBI, IRS, NSA, CIA, LEOs etc. here], when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say goodbye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling in terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose [neither do you now] and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand. The Organs would very quickly have suffered a shortage of officers and transports and, notwithstanding all of Stalin's thirst; the cursed machine would have ground to a halt!" -- The Gulag Archipelago, Aleksandr Solzhenitsyn

Gun Rights Refresher

1. An armed man is a citizen. An unarmed man is a subject.
2. A gun in the hand is better than a cop on the phone.
3. If guns cause crime, then pencils cause misspelled words.
4. "Free" men do not ask permission to bear arms.
5. If you don't know your rights you don't have any.
6. Those who trade liberty for security have neither.
7. What part of "shall not be infringed" do you not understand?
8. The Second Amendment is to enforce the other 9 Amendments.
9. 64,999,987 firearms owners killed no one yesterday.
10. Guns only have two enemies; rust and politicians.
11. Know guns, know peace, know safety.
12. No guns, no peace, no safety.
13. You don't shoot to kill; you shoot to stay alive.
14. 911 - government sponsored Dial-a-Prayer.
15. Assault is a behavior, not a gun device.
16. Criminals love gun control -- it makes their jobs safer.
17. If guns cause crime, then matches cause arson.
18. Only a government that is afraid of citizens prohibits guns.
19. You only have the rights you are willing to fight for.
20. Remove the people's right to bear arms, you create slaves.
21. The American Revolution was about gun control.

Crimes of Politicians Must Be Stopped by The People (You are The Militia)

The crime on our streets is a tiny fraction of the crime in the offices of our politicians and bureaucrats - the massive majority of crime is committed by the criminal classes in power. Just look at the constant abuse of power in our State government offices and you will realize the extent of crime in Government. Just consider just how many BILLIONS of dollars a day Government extorts from the people and how little WE get in return; and just how comfortable the politicians make themselves at the expense of the peoples they extort!

The goal of the founders of America was to restrict government within severe limits and to protect the rights of sovereign individuals. Government has NO rights!

Judges are impeachable. Furthermore, judges may be removed immediately for violating oaths of office, involvement in conspiracies, extortion, and failing to uphold their duty to the common law. Judges can also be arrested, they are not exempt from this nor are any other officials, including the President of the United States.

Do the people have the power to do this? Yes, the people have the power to do everything to defend our country against all enemies foreign or domestic politician, and government has no power to say otherwise. Fascist bureaucrats might send out its armed marauders, but a huge group of The People (Militia) armed with guns as guaranteed their Right to keep and bear arms by the 2nd Amendment is likely to stop them unless the governments decide that it is time to begin mass killings of all people who believe in the rights of Man.

Wake up ! Enforce the Bill of Rights !

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed." Exercise the 2nd Amendment.

Cheney Calls Osama "Obama"

In his speech at the National Press Club last week, former vice president Dick Cheney referred to Osama bin Laden as "Obama."

"The important thing is, I don't think he can have much impact now in terms of managing the organization, because that link between Obama and the people under him is pretty fragile," Cheney said. "I don't think he has the capacity to do as much harm as he did at one point, but we ought to still continue to chase him."

Obama Blocks Torture Photos, but General Taguba Says he saw them

"The decision to not release the photographs makes a mockery of President Obama's promise of transparency and accountability," said ACLU attorney Amrit Singh, who had argued and won the case before the 2nd U.S. Circuit Court of Appeals in New York. "It is essential that these photographs be released so that the public can examine for itself the full scale and scope of prisoner abuse that was conducted in its name."

General Taguba on the record said he SAW the PHOTOS:

London's Daily Telegraph quoted Maj. Gen. Antonio Taguba describing photos (that the Obama administration is fighting to keep secret), which allegedly depict US personnel raping prisoners, other sexual assaults on prisoners with objects including a truncheon, wire and a phosphorescent tube. "These pictures show torture, abuse, rape and every indecency," said Taguba. Taguba said he was referring to the hundreds of images he reviewed as an investigator of the abuse at Abu Ghraib prison in Iraq, and his report which led to losing his job.

The Telegraph reported: At least one picture shows an American soldier apparently raping a female prisoner while another is said to show a male translator raping a male detainee. Others depict sexual assaults on prisoners with objects including a truncheon, wire and a phosphorescent tube, while another shows a female prisoner having her clothing forcibly removed to expose her breasts.

Allegations of rape and abuse were included in Taguba's 2004 report on Abu Ghraib but the photographs was never revealed. He has now confirmed their existence in that interview with the Daily Telegraph, and said with 100% certainty that he has seen photos that "show torture, abuse, rape and every indecency."

Will the White House deny these exist? Obama Deception! Now, Obama's fiercest defenders are the Wall Street Journal, the neocons and hawkish Congressional Republicans.

Obama's Iraq policy and his Afghanistan escalation of those wars are blatant endorsements of Bush-Cheney policies. Obama-flips are now routine: for example, opposing the release of prisoner abuse photographs and support for indefinite detention for detainees, and that's just this week. More remarkable is Obama's White House P.R. creativity in portraying these violations of public trust as "epic change."

All Drugs legalized: Its the End of Drug War Violence and Police State Wealth

Think about it. It only took 13 years to realize that Alcohol Prohibition was a mistake, despite it being a far more dangerous drug than Marijuana. Yet it has now been 71 years, that we have endured Marijuana Prohibition

The only model that will wipe out the Drug Cartels is one where individuals can grow their own: No Taxes, No Regulations, No More Drug Cartels. untaxed, unregulated cultivation by all American Citizens over the age of 18.

The MERP Model is the answer and neither Dave Borden, nor anyone else in the "moneyed movement" will allow a discussion about their "tax and regulate" model Vs the real solution: No Taxes, No Regulations! for Personal Cultivation.

That is because George Soros is pulling the strings so he can profit from a highly regulated, government controlled model of legalization that WILL NOT destroy the Cartels. Soros funded California Senate Bill 420 (SB 420), after Prop 215 passed. This was Soros's attempt to limit the number of plants that a patient could grow. Fortunately the Californian Appeals Court found SB420 unconstitutional because it did attempt to set limits. It should also be clear that Soros has shown absolutely no inclination to support initiatives that allow personal cultivation for healthy Cannabis consumers. But the clever little Soros made sure that most of the remaining initiatives were restricted to a

12 Plant limit for the Medical Patient or the Caregiver, and you will NOT be able to cultivate the 12 Plant maximum unless you live more than 25 miles from a licensed dispensary. What that means is that it will prohibit personal cultivation as soon as Soros can set up his network of "Medical Marijuana Dispensaries."

It is also becoming clear that the Zionist controlled media is slowly attempting to "manufacture consent" for a highly regulated "tax and regulate" model for Marijuana Re-Legalization that will force American Citizens to pay exorbitant prices for Marijuana (e.g., \$300 to \$500 and ounce) in order to feed the tax coffers of local, state and federal government. Why would we want to allow this when the MERP Model would allow you to grow for free outside or for about \$30 and ounce if grown indoors under lamps.

Obama is most probably also in on this betrayal. The Obama administration, meanwhile, says the US Drug Enforcement Agency will no longer raid dispensaries of medical marijuana in states where it is legal.. [Already, the Obama DEA has continued raids in several states.] This how the Obama regime will put the power and control of med pot distribution and sales into their dispensaries, and take it out of the hands of the patients, and a whole new set of laws coming under corporate oversight and it's screaming MONSANTO/DUPONT GENETIC PATENT ON

SEED AND PLANT DISPENSARY CONTROL. What a set up...Obama said he won't raid "DISPENSARIES" in states where medical marijuana is legal...that is why they are taking the power away from home growers/patients...These dispensaries will fall under federal laws....and more than likely federal control and regulation. Sneaky, sneaky these fascist racketeers.

It is bad enough that Soros is moving to "cash in" on Medical Marijuana by prohibiting personal cultivation. It is also clear that Obama and the Corporate Media are also on board to manufacture consent for such a deceptive racket. What is worse is that such "regulate and tax" laws will do nothing to destroy the Drug Cartels, Terrorist Organizations, Gangs, Judicial and Prison systems, and Police & DARE scams who profit from the illicit sale of Marijuana and the enforcement of Drug Prohibition laws that also don't work.

The only model that would assure this outcome is the MERP Model, because it will take the profit out of the Marijuana market. ALL American adults, not just the sick, would be able to consume and cultivate their own Marijuana. And under the MERP Model we will be able to do this just like we are currently able to produce our own homemade beer and wine: without any taxation, regulation or government interference.
